State of the Nation Address: Ramaphosa's many words speak of little insight. 20 June 2019. Solidarity today said in reaction to Pres Ramaphosa's second State of the Nation Address this year that it is clear that the ANC's inherent inability to successfully govern South Africa is epitomised in the President's pipe dream of an African Utopia.

Spoils Dream Explanation — If one sees himself pillaging or plundering something in a dream, it means that he will recant a covenant, or ruin something useful, stray from Allah's path, or it could mean that he will marry a young girl whom he will abuse sexually. If what he ruins is a cast of precious metal in the dream, then it denotes bad words he speaks, or jealousy and

Mboya's grand vision for an East African federation remains a pipe dream. First, it was jeopardized by lack of effective political will among the political leadership of Uganda and Kenya in 1960s. Later on, the political instability in Uganda and ideological differences between Kenya and Tanzania in 1970s and 80s further deferred the dream of the East African federation.

It was built on the pipe dream that by uniting disparate governments in Europe it could, over time, grow into a continent-wide juggernaut of a superimperialist state. But the European “Union” is comprised of 27 separate capitalist states, in which the ruling classes pursue their own interests in search of markets and profits at the expense of their rivals.
