Free Radio Shack Scanner User Manuals | ManualsOnline.com
Programming the radio is a no brainer with no problems setting any frequencies that you can add to it.Antenna on radio ok,but I use a super scanner antenna for this with great results from 100 miles or better.Trunking frequencies on scanning was really good for those bands in the 800 mhz.I used this as well for receiving satellites frequencies on the down path with great results to,what I did ...

Radio Shack PRO-91 - eHam.net
Trunking systems let a large group of 2-way radio users (or even different groups of 2-way radio users) efficiently use a set of frequencies. Instead of selecting a specific frequency for a transmission, the user's radio selects a programmed trunking bank in the system when that user presses their PTT (push to talk) button.
