The inspiration for the highly-rated 1986 film Stand By Me, The Body is different than Stephen King's usual writing. Unlike his gory horror novels, this short story is just a book about four misfit kids who go on a hike to find a rumored dead body downtown, but on the way, they learn about friendship and family and reputation, and they also learn the real meaning of death, and what once became an immature adventure they eventually see the seriousness behind.
