Mybook Live will not recognize the correct admin or user passwords. I reset the drive to remove all passwords, then performed the self test. Message was: self-test completed having the read element of the test failed. I then performed a factory reset on the drive, and then set up shares again with new admin and user passwords. Same problem. Suggestions? Thanks

### **Password recognition problem - My Book Live - WD Community**

Yes, by default the My book will only have the Admin user, the username and password is admin/admin, you can change the password from the dashboard but if you forget it you can always press the reset button on your My Book to put it back to the default password without deleting any of your files. 3 Likes Vadir October 15, 2015, 3:36am #3
